Posts and Fixings

Choosing the right fixing method is all important when choosing your signage requirements. From post mounted, to projecting signs or surface fixed to frame surround each option adds a different dimension to the finished scheme. Using the latest fabrication technology all types of fixing solutions can be undertaken to meet your exact requirements.

CAP1
Endcaps add a finishing touch to posts supplied separately.

POST1
1.5 metre
Traffic Post x 76mm
Grey, plastic coated steel for ultimate durability and good looks
Both heights supplied in 76mm diameter.

POST2
3 metre
Traffic Post x 76mm
Recommended depth of 400mm to be sunk into ground for POST1 or 600mm for POST 2.

BASE P1
Base plates for use in conjunction with traffic posts supplied separately.

Standard Post Clips 50mm

CLIPS1
2" clips supplied in pairs. Suitable for scaffold poles or existing railings and barriers.

Back to back clips

CLIPS2
Used in conjunction with 76mm posts when connecting two signs back to back.

Standard Post Clips 76mm

CLIPS3
3" clips supplied in pairs. Suitable for scaffold poles or existing railings and barriers.

CA1
Channel Adaptors supplied in pairs Allow sign to be fixed to any post / railing regardless of diameter, used in conjunction with steel banding.

BB1 Banding buckles per 100.
BB2 Banding tool.
Ensures a permanent fix for steel banding. Buckles are supplied in boxes of 100. The banding tool is used for fixing signs in conjunction with channel adaptors and banding.

BB3
100' x 13mm roll steel banding for use in conjunction with channel adaptor will accommodate any non standard support.

STRAP1 (pair)
STRAP2 (pack of 10)
Steel buckle straps will strap onto posts up to 150mm diameter. Easy tighten operation ideal when a full roll of banding is not required.

STRAP4 (600mm)
Screw banding will strap to oversized posts and tightens using a screw driver. Sold in pairs

Stanchions

Rubber Speed Ramps

A tough and economic ramp system manufactured from recycled thermoplastic. 50mm high by 500mm wide sold in pairs (one black, one yellow) each pair forms 1 metre in length. Each pair comes complete with sufficient fixings.

- Tough and durable
- 10 mph control rating
- CATS EYES fitted as standard
- Any length of ramp can be formed
- Quickly installed and re-locatable
- Fixing bolts included with all ramp sections (specify type of round)
- Two end sections can also make a circular speed bump

Two end sections make a circular bump!

ECORAMP4
Each section 500mm long.
Sold in pairs
1 Yellow and 1 Black

ECORAMP3
Each section 175mm long.
Sold in pairs
1 Yellow and 1 Black

Premier Speed Ramps

VER1 (sold in pairs)
Highly reflective verge posts, ideal for restricting access, marking obstructions and direction of traffic. 1100mm high comes complete with a 360mm ground spike.

This versatile modular system enables ramps of any length to be formed. Supplied in pairs, one black, one yellow complete with fixings. Each single module is 400mm x 250mm. Ensures speed around sites is controlled and safe. Round endcaps are recommended for a neat finish (supplied in pairs - black). Avoid the expense of on-site accidents.

RAMP1 (Supplied in pairs inc. fixings) will cover 500mm.

RAMP END (Supplied in pairs inc. fixings) will cover 500mm.

Rubber Cable Protector

External cable protectors ideal for the protection of permanent or temporary cables on site.

RCP1 10 metre roll
RCP2 1 metre section

- 3 division cable protector
- Suitable for foot or road traffic
- Time saver 'snap in' of the top cable
- 20mm diameter top hole
- Supplied in 10m rolls or 1m lengths
- Unique 'anti crush' simple to use product

Vehicle Warning

Transport products available as 1mm aluminium or self adhesive vinyl, class 1 reflective.

TRA8S 1260 x 220 Self adhesive vinyl **TRA8R** 1260 x 220 1mm Aluminium

TRA9S 1400 x 140 Self adhesive vinyl **TRA9R** 1400 x 140 1mm Aluminium

TRA10S 700 x 140 (supplied as pair) Self adhesive vinyl

TRA10R 700 x 140 (supplied as pair) 1mm Aluminium

TRA12 S
non-reflective
Self adhesive vinyl

DA55 250 x 250

DA56 250 x 250

DA57 250 x 250

DA58 250 x 250

DA59 250 x 250

DA60 250 x 250

DA61 250 x 250

DA62 250 x 250

DA63 250 x 250

Hazchem Panels

Hazchem panels available in two materials, 1mm aluminium and self adhesive vinyl. Choose the panel of your choice and we will manufacture complete with your specific UN. number, hazard diamond, code and telephone number. For quantities of 20 or more we will print your logo free of charge in one colour.

HAZCHEM TANKER PLATE

HZ1 700 x 400
Supplied with or without frame holder.

HZ1A
Frame Holder
700 x 400

LOW/NON HAZARDOUS TANKER PLATE

HZ2 700 x 400
Supplied with or without frame holder

VEHICLE WARNING PLATE

HZ3 400 x 300
Supplied with or without frame holder.

HZ3A
Frame Holder
400 x 300

STORAGE INDICATOR PLATE

HZ4 500mm x 300mm

MIXED HAZARD PLATE

HZ5 600mm x 200mm

SITE LOCATION PLATE

HZ6 600mm x 200mm

Low index traffic and caution cones, ideal for hazard avoidance and for warning of potential dangers.

CO1 460mm
Ensure traffic hazards are noticed through using these temporary Hi-visibility traffic cones.

CO2 495mm
Help prevent slips, trips and falls by warning of potential hazards with these, easily stored, cleaning cones.

CO2A 495mm
Help prevent slips, trips and falls by warning of potential hazards with these, easily stored, cleaning cones.

CO2B 510mm
High-visibility No parking cones.

CO1A with text 510mm
Plain cone to accept factory applied message of your choice on each of the 3 sides
CO1B blank 510mm

BCP3 750mm
This cone is made to accept a cone converter, which allows planks to be inserted to form a barrier system.

Mirrors & Barriers

SPP2 610mm high
Hinged parking post, with integral key operating system.

CONBAR2 1000 x 1900mm
Non-reflective concertina barriers offer a quick and easy solution for restricting access around site. Folding for easy storage.

MIR1 620mm
MIR1A 450mm
MIR2 620mm Polycarbonate
MIR2A 450mm Polycarbonate
MIR3 450mm Extension arm

MIR4 600 x 450mm Acrylic
Request as post or wall fix on all mirrors

Information Centres

Magnetic information centres, take your message direct to the factory floor.

Available in any background colour, each centre comes complete with A4 and A3 clear magnetic wallets with matching printed borders.

INFO1 1220 X 915

Includes 10 A4 wallets (single colour of your choice)

INFO2 2440 x 1220

Includes 10 A4 and 6 A3 wallets (single colour of your choice)

Rigid perspex pockets enables instant updating of new information. Supplied complete with magnetic edges ensuring documents are not lost, blown off, or removed.

INFO4 1220 x 915

(Up to 3 background colours of your choice)

Includes 10 A4 wallets (3 colours of your choice)

INFO5 2440 x 1220

Includes 10 A4 and 6 A3 wallets (3 colours of your choice).

Each board comes complete with the title header of your choice.

STAND1

Will accept 1220 x 915 board

STAND2

Will accept 2440 x 1220 board (as shown)

PACK1

Contains 10 A4 wallets (Colour of your choice)

PACK2

Contains 10 A4 wallets and 6 A3 wallets (Colour of your choice)

Specialist Dry-wipe Boards

Produced using the latest scanning and graphics technology and applied directly to magnetic or non-magnetic dry-wipe boards.

Machine layouts or production scheduling, keep track of statistics, dates, down time, shift changes etc.

Any diagram can be included. Choose normal dry wipe or magnetic dry wipe. Any size of pockets or holders can be applied to the board of your choice for document storage.

Now more than ever safety awareness is crucial. Use your dry wipe boards, to control, record, advise, staff and visitors of your safety record.

Remember visual impact is three times more effective than verbal communication!

SDW1 Non-magnetic

SDW2 Magnetic

900 x 1220 (complete with graphics)

SDW3 Non-magnetic

SDW4 Magnetic

600 x 900 (complete with graphics)

SDW5 Non-magnetic

SDW6 Magnetic

1800 x 1200 (complete with graphics)

Dry-wipe Boards

Magnetic or non-magnetic dry-wipe boards are ideal for training, production or presenting. These versatile boards are supplied complete with aluminium frame, corner caps, wall fixings and tray. Order as blank for general use or we can apply graphics, logos and text to your exact designs.

NDW1 600 x 900
NDW2 1200 x 900*

NDW3 1800 x 1200
NDW4 2400 x 1200

BUT1A 15mm (10 per pack)

BUT2A 30mm (10 per pack)

Magnetic discs use in conjunction with magnetic dry-wipe boards.
Mix of the following colours:
Blue, green, yellow, red, black.

MAG1 600 x 900
MAG2 1200 x 900*

MAG3 1800 x 1200
MAG4 2400 x 1200

*Available with mobile stand as optional extra.

Plain dry-wipe board supplied complete with pen tray, corner caps and all fixings.

Plain magnetic dry-wipe board will accept all types of magnetic products in addition to conventional dry wipe marker pen.

Noticeboards

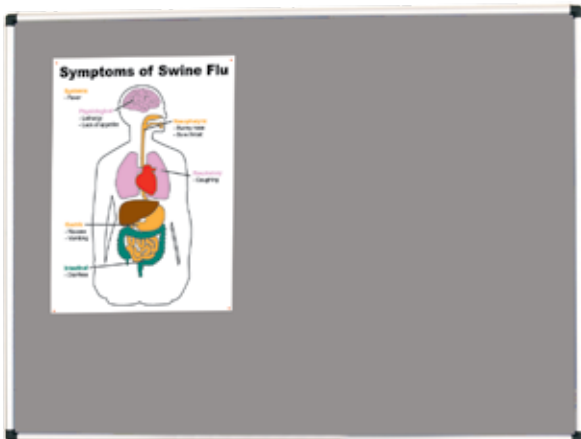

Classic, aluminium framed, deep pin board, supplied complete with corner caps, and wall fixings.

PIN2 1200 x 900

PIN3 1800 x 1200
PIN4 2400 x 1200

Personalise your pin board with the header of your choice.
Please state required text.

Banner Stands

ARTWORK GUIDELINES

Banner stands are suitable for a range of environments, from retail point of sale to exhibition displays.

Graphics for these systems can be printed on a range of materials, such as, a PVC with light stop backing & anti-scratch finish, paper with a matt over laminate.

Other materials are available upon request.

ARTWORK GUIDELINES

We can accept artwork on CD or DVD in EPS, TIFF or JPEG format.

All artwork must be supplied to 25% of the finished size with a resolution of no less than 300dpi.

All fonts and images used in the design need to be supplied.

BAN20
1600 x 600mm
Lightweight folding banner ideal for short-term marketing campaigns. Complete with carry bag and graphics

BAN22
800 x 2000mm
Lightweight roll-up banner. The stand has a slider system which enables the change of graphics. Comes complete with carry bag and graphics of your choice.

BAN24
800 x 2000mm
Deluxe pull-up banner, single sided. Easily interchangeable. Comes complete with carry bag and graphics of your choice.

BAN26
800 x 2000mm
Deluxe double-sided banner. Comes complete with carry bag and graphics of your choice.
